10h25 - 10h55   **Members' updates on activities and projects**
Colleagues of Chance B will be sharing the latest on their European project aimed at fostering the inclusion of persons with learning difficulties into the digital age. Feel free to share updates from your projects.

10h55 - 11h25   **AI literacy in service provision**
From Literacy to Digital Literacy to AI Literacy: What are the trends and developments in education, training and employment regarding the use and users of AI technology? How can we enhance the technical understanding, practical understanding and ethical understanding of AI for service users and service workers?

11h25 - 11h55   **The practical side: Integrating AI in the work with service users**
In the run up to the [EPR Annual Conference 2024: AI and New Technologies for Inclusion: Leaving no one behind in the digital transition], we want to collect with you ideas for making a connection between AI in the daily work with service users and the events and discussions at the conference. Suggestions welcome!
