

## CALL FOR PROPOSALS

### External Evaluator

EPR is looking for an external evaluator to conduct an evaluation based on monitoring the organisation's actions impact and policy influence. The evaluation will look as well into understanding the impact our organisation has on our members, partners and on practices over the year 2023.

The evaluation timeline will be December to February and EPR will provide information and data necessary for it to be carried out.

EPR 2023 evaluation will be embedded in an evaluation framework comprised between 2022-2025. Our organisation has developed indicators to measure the impact and relevance and performance of our actions and activities. Those indicators need an external evaluation.

- **What are we looking for?**

To evaluate the impact of our policy analysis and activities work at EU level.

- **Proposed approach**

EPR will suggest building on the evaluation done in 2022.

- **Timeline**

December 2023 – February 2024

- **Budget available**

2.500 EUR
