

# Supported employment in France, a new lever for professional and social inclusion?

15 October 2019

Hôtel de Rennes Métropole, Rennes, France

This Conference is co-organised by EPR together with Fagerh and EUSE the European Union of Supported Employment and it is focused on raising awareness on the employment of persons with disabilities. This event takes place three years after supported employment was included within French Labour Law.

The day will present and place in a European context French practices on supported employment together with looking at inspiring practices from public and private enterprises and promoting access to employment for people with disabilities.
