

EPR Mental Health Working Group

22nd April 2021
10:00 - 12:00 CET
Online Meeting
Draft Agenda

Aims of the Meeting

- This online meeting will be the first meeting of the EPR MH WG in 2021. The meeting aims at discussing the next activities of the WG, share updates from each member and suggestions for the WG and shape the work of the WG for the year.

Key points to discuss

- Round of updates on the situation of providing MH service provision in the last quarter and first quarter 2021.
- Share any feedback on the public seminar held on Nov 2020
- Feedback or comments on the draft paper issued by EPR Secretariat on Covid 19 and MH and recommendations
- EU Health Platform
- In person study visit: first discussions
- Activity 2021: A project concept proposal/Benchlearning

Defining topics

11:55 Conclusions and next steps
Sharing reflections/ Follow up and new activities

In the beginning of the meeting the group will decide if and when to take breaks

Preparation for the Meeting

Your Contribution

In order to make the most out of our online meeting, thanks for preparing the following information ahead of the day:

- 2 points on the main updates from your services, your experience and work during the last quarter of 2020 and the first quarter of 2021.
- Feedback on the draft paper issues by the Secretariat on Covid 19 and Mental health. To help you guiding your feedback you can use the following questions: Does the paper cover correctly your information shared within the online seminar and mental health working group? Is there any important point you find missing? Are there areas that could be strengthen towards providing a clear argument to support how mental health services are essential services and need funding?
- Potential work for 2021: Benchmarking of services

Technicalities

To ensure a smooth running of our online meeting, thank you for checking the following points a few days before our meeting:

- Please logon 10 minutes in advance to check sound and video to ensure the meeting can start on time.
- We recommend using headphones/a headset to help prevent audio problems and improve sound quality.
- If possible, please join the webinar from a quiet room or without main entrances.

Thank you!
