

## Digital Skills EPR Working Group

19 December 2023

10h00-12h00 CET

Online Meeting

### Aims of the Meeting

This session will conclude the working group activities for 2023. Following the feedback by working group members, we would like to dedicate time to openly discuss three topics currently buzzing around digital skills/skills and this group: (1) AI in service provision, (2) Validation of skills and competences, (3) Expanding the scope of the working group to digital, soft and social skills.
