

QoL4ALL - Quality of Life for All

Assessing and promoting Quality of Life of adults with severe disabilities Final Conference

29 June 2021
10:00-12:00 & 15.00-16.30 CEST
Online, Zoom

Quality of Life for All (QoL4ALL) is an Erasmus + project that aimed to improve the education of adults with disabilities through the provision of educational strategies that promote their quality of life. The project also aimed to improve the skills of adult education professionals working with people with profound and severe disabilities in the promotion of their quality of life.

The project consortia made by invite you to the virtual conference that will mark the end of this project. Project partners are: the European Platform for Rehabilitation (EPR), the Cerebral Palsy Portuguese Association of Faro (APPC Faro, Portugal), Josefsheim gGmbH (Olsberg, Germany), Istituto Don Calabria (Verona, Italy), Centro San Rafael – Fundación San Francisco de Borja (Alicante, Spain).

Who is this event for?

- Professionals working with adults with severe disabilities (educators, psychologists, social workers, teachers, trainers, etc.)
- Managers and stakeholders of education centers for adults with severe and profound disabilities
- Researchers from a research center on education for the quality of life of people with disabilities
- Families or adults with severe disabilities
- Policy makers
