# OBJECTIVES

## 1. Strengthen professional capacity

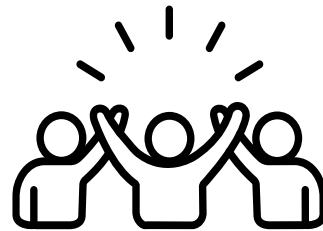

Equip professionals and volunteers in the disability and elderly care sectors with the tools and skills needed to respond effectively to the needs of ageing persons with disabilities.

## 2. Promote social inclusion and dignity

Ensure social inclusion, adapted support, self-determination, and respect for the dignity of ageing persons with disabilities throughout their life course.

## 3. Raise awareness

Increase awareness about the specific challenges related to ageing with a disability among stakeholders, service providers, and the wider community.
