

DISSEMINATION EVENT QOLIVET Project

Promoting Good Practices Guidelines & Online Training Course on Quality of Life Impact of inclusive VET & Community Care

11 October 2022 (9.00 AM – 12.30 PM CET)

EESC - VMA building: Rue Van Maerlant 2, Meeting room: VMA3
- Belgium, Brussels

Background

VET and Community Care services involve thousands of people with disabilities in Europe. The impact that VET have on the QOL (Quality of Life) of People with Disabilities is crucial and has to be taken into consideration as a key element when addressing this issue.

QOLIVET is an Erasmus + funded project that started in November 2020 and will end in April 2023. It is aimed at improving the quality of vocational education and training (VET) and community care provision across Europe and raising its impact on the Quality of Life (QOL) of participants.

QOLIVET Partnership: The project partnership is led by the [European Platform for Rehabilitation - EPR](#) (Belgium).

The QOLIVET partners are:

- [European Vocational Training Association - EVTA](#) (Belgium)
- [EWORX S.A.](#) (Greece)
- [FUNDACION ONCE](#) (Spain)
- [REHAB GROUP](#) (Ireland)
- [Vocational Rehabilitation Centre of Gaia - CPRG](#) (Portugal)
