

# Social Inclusion: Sexual Education & Rehabilitation

## *Webinar/Online Meeting*

16 December 2020

10:00 – 12:00 CET

### Background

Sexual rehabilitation for people with disabilities is a topic of increased interest and has been identified by EPR members as an area of potential work for service providers to people with disabilities. Some EPR members already work providing sexual education to users and others have interest in the topic.

This webinar/online meeting will look into sharing ideas and already existing services among our membership for potential further work on this issue.
